### JUNE/2012

#### Welcome to ECAA's E-Newsletter, The Spark!

This e-newsletter was created to keep members informed on the Association's activities and upcoming events in a timely manner.

#### President's Message

Well you had your chance on Saturday to reconsider who your next President would be but you remained silent and now you're stuck with me. So here we go. Let me first state that (all kidding aside) I am very honored to be your President for the upcoming year and I promise that I will do the best that I can to uphold this position in the light of the great Presidents who have come before me, none who were more worthy than our outgoing President Clem Gratton. I have very large shoes to fill.

Kelly Wilde

I would like to thank Clem for all his hard work and dedication over the past many years he has been on the Board and especially this last year with all the extra load put on him with the 50th Anniversary. Clem, to you and the staff of the ECA congratulations on a job very well done.

Well the AGM is over, but what a great weekend. With great weather, great golf, great President's ball, great hospitality by our outgoing President and his wife Kathy (I think I can remember having a very good time). That's my story and I'm sticking to it. Again thank you to the ladies of the ECA and to Sheri (through all of her surgery etc.) for making this event what it was.

It was very gratifying to see all the past Presidents at the AGM and I thank them for coming out and making this event even better with their presence. It was also very nice to see many new faces ( at least to me ) out to this event and to see the PEC's getting together to work at the program and to start to create new ideas for making this part of the Association even better. Thanks to Mike Fleming, PEC for stepping up to be the head of the PEC education committee. I look forward to working with you and all of the others in the upcoming year.

I would also like to thank all of the existing and new Board members for stepping up and being a part of this Association and I look forward to working with them all in the upcoming year. Keven Lefebvre is our new Secretary and we have a new Director- at-large with Bob Maslanko joining Terry Milot in the North and Ron Mackenzie remaining in the South. All though these people are not new to the

Association or to the Provincial Board they have taken on new positions and I thank them for doing so.

I would also like to take this time to thank Kelly Morris for all that he has done and accomplished in the past years as part of this Association, and in particular the Masters Committee. With the Masters now being part of the Safety Codes and a win for the Association Kelly has resigned from his position on this committee. Words cannot express the gratitude that I (and I am sure the rest of the association) have for what he has done and the time he has committed to our Association. If only we had a few more like Kelly. So thank you Kelly job well done.

So here we go. We have many challenges facing us in the upcoming year and I look forward to taking them on. I will keep you updated as we go and please let me know if there are concerns or suggestions you have as I would be more than happy to discuss them with you. Have a wonderful summer and we will see you in the fall.

***Thank you from Clem Gratton, PEC Past President & 50th Anniversary Convention Chair.***

Thank you so very much for taking some time out of your busy schedules

and attending the AGM this past weekend. It means so very much too

all those hard working committee members to know that their efforts were not in vain. It mattered. All of our meetings had quorum and with the added support there is a real renewed feeling of worth for our committee chairs and their members.

Excellent direction was given by members in each of these meetings and even some new ideas. It was especially nice to see some of our younger members starting to come out and get involved.

As far as the celebration of our 50th Anniversary, I was so impressed having such great participation from our Past Presidents. What a great honour it was to have them out and mingling with our members. I for one thoroughly enjoyed chatting with them, and boy did they ever show spunk and that deep desire to participate. Looks like that sticks with you forever. I felt very humbled and extremely nervous trying to run our AGM meeting with so much experience in the room; all of those guys have been there and done that.

What a great day on the golf course, but did we Edmontonian's ever doubt it. Weather here co-operates on these important occasions, we all know that... But really, no kidding the Ranch Golf Course did an amazing job. The girls Sheri, Christine, Brittany and Dorothy also worked very hard on making sure everything ran well. Christine especially did a wonderful job making sure we were all looked after, and that I knew what needed to be done, thanks Christine.

The Presidents Gala, what can I say. What a great party, what an amazing turn out. The Marriott in my opinion did a fantastic job and they really paid attention to whatever the girls needed. They responded quickly and professionally and did some little things that were very nice (like the Starbucks runs). Our MC Chris Browton, Executive Director, Skills Canada Alberta, came out on his own time, in between family commitments and did a fantastic job. What a great guy, thank you Chris. Hey Romeo, what an awesome group. They treated us pretty special, and dancing right to 1:00 A.M. with the floor still packed. O.K. those Calgary guys

really know how to party; I have to give that to them. I was really impressed. Again our girls from the ECAA office really pulled it off, thank you so much ladies.

Finally I have to pass along kudos to my Convention/AGM committee members. The entire function, start to finish, was their thoughts and ideas. What a great job you all did and thank you for all your hard work over the past year. Thank you, Sheri McLean, Christine Hryniw, Bob Maslanko, Les Dzwonkiewicz, Gordon Badach, Sharman Hnatiak, and last but by no means last, Sophie Schmaltz, another lady who worked so hard helping in the preparations. I remember dropping in to the ECAA office on the eve of our AGM start day, there she was, wrapping cellophane around wine bottles for that little extra touch, amazing.

All of this could not have been accomplished without the support from our sponsors. Associates and Contractors really stepped up to the plate for this our 50th Anniversary Celebration. Thank you all so much for helping make this, very special. All of you contributed and worked very hard, thank you for a successful AGM.

### Getting to Know Your Executive

**EXCERPT FROM GREETINGS TO MEMBERSHIP AT AGM:** *"Professions and Occupations has, and continues to work, closely with both your association and many others in Alberta that serve the public through the registration, licensing, continued education and discipline of qualified professionals. Your governance of member Professional Electrical Contractors is recognized by the Alberta*

government as an important role in this province, since our citizens rely on you to ensure that their safety and the public interest is protected. Evaluating the qualifications of applicant contractors is a critical step in the process of ensuring that high standards are maintained and professional ethics are adhered to. That is the basis of professionalism - and it is the reason why the Alberta government granted self-regulatory powers to the ECAA to govern those people who work as Professional Electrical Contractors (PEC's)." **Adrian Pritchard, Director, Professions & Occupations.** (As Adrian was unable to join ECAA at the Annual General Meetings, his greetings will be published in Issue 2 of the Contactor).

**Greetings from Colin Campbell, President of the Canadian Electrical Contractors Association of Alberta who joined us at the 50th anniversary Gala.**

*"On behalf of the Canadian Electrical Contractors Association (CECA), I would like to congratulate the Electrical Contractors Association of Alberta (ECAA) on its 50th Anniversary. This half-century milestone could only have been achieved with vision and dedication. ECAA is a stellar example of a trade association that is committed to furthering the excellence of its member companies and helping them succeed in today's extremely competitive marketplace, strengthening the province of Alberta's economic growth. ECAA's longevity is a real tribute to the value placed in its organization by its members. It is also an indicator of strong and steady leadership and superior service as ECAA continues to be a proactive advocate seeking to better the interests of this ever-growing industry. On this, its 50th anniversary, CECA salutes its fellow association, the ECAA, and looks to the future with anticipation and certainty for continued cooperation, friendship and success. We are proud of our relationship with ECAA and thank you for your support and leadership in the electrical industry. Please accept our best wishes for another fifty years of continued success."*

## Board of Directors Update

**Legislation Committee:** This upcoming year our legislation committee has many challenges including some of the following: **A) Bill 377; B) Construction Trade Definitions; C) Aboriginal Resources; D) Cathodic Protection Technician; E) Municipality Permit Issues.** We look for your feedback through the local Chapter Presidents, Chapter Legislation Representatives or directly to myself, Terry Milot, Chair of the Provincial Legislation Committee ([tmilot@chemco-elec.com](mailto:tmilot@chemco-elec.com))

**Safety Codes Council - Electrical Technical Council Update May 30, 2012.** The Electrical Technical Council held a meeting on May 14, 2012, and continued to discuss ongoing issues such as the OBIEC review, Risk Based Inspections review, New Home Warranty Program, SCO Training, and other current industry issues. **1)** The ETC discussed the **OBIEC** review and stakeholder correspondence relative to the questions and answers generated by the review. The council moved and passed a vote to recommend the OBIEC move forward with submission to the Minister for further review and public consultation. **2) The Risk Based Inspection review** is now ready for submission to the ETC council for review at the next meetings. **3)** The council discussed the **SCO training requirements** including the mandatory code cycle update training and passed the mandatory requirement for a code of ethics training. **4)** The development of the **Master Electrician Advisory Working Group** is now complete and the first meeting of this group will be held on July 3, 2012. There will be two representatives from the ECAA participating on this committee.

**Thank you to all our industry partners for making ECAA's 50th Anniversary Gala a huge success.** We would like to acknowledge *Alberta Apprenticeship & Industry*

*Training, Alberta Building Trades, Alberta Construction Association, Alberta Construction Safety Association, CECA, CLR-A, IBEW, Mechanical Contractors Association, Merit Contractors Association, NAIT, Safety Codes Council* for joining us at the Gala and of course, our Master of Ceremonies, Chris Browton from Skills Alberta. A special thank you to Darlene Bouwsema and her husband Barry and Shirley and Marvin Dul who also joined us for the festivities.

We would also like to acknowledge and thank the past presidents of ECAA who attended the weekend festivities.

**Associate members update from Mr. Terry Sawatzky:** Ok then ... another successful ECAA Annual General Meeting! The Associate Members held their Annual General Meeting last Saturday morning with numerous industry players in attendance. Very interesting topics of discussion ranging from product innovation and technology through to the training requirements of the Electrical Industry as a whole, in regards to utilization and commissioning, of the new "smart" products that seem to evolve into our market every day. Sorry if you missed it but maybe we can catch you at the next chapter meeting to bring you up to speed! **Dave Bentley** of *HUB International Phoenix Insurance* put his name forward and he will be joining us on the Provincial Associates committee. An Association is only as strong as its participating membership and we need your participation! Have some ideas or like to share your thoughts on what's up in the industry? Please contact us via the web site ([www.ecaa.ab.ca](http://www.ecaa.ab.ca)).

## Nominations Committee Update

**Congratulations to Award of Merit recipient, Keven Lefebvre; Honorary Member, Bunny Kennedy; and Lifetime Member, Stan Misyk.** These gentlemen

were acknowledged for their contributions to the industry by ECAA membership at the Awards luncheon on May 26th.

**Your newly elected board consists of** *Mr. Kelly Wilde, President; Mr. Les Dzwonkiewicz, PEC, Vice-President; Mr. Darcy Teichroeb, PEC, Treasurer; Mr. Keven Lefebvre, PEC, Secretary;*. Directors-at-large (South) are *Mr. Ron Mackenzie; (North) Mr. Bob Maslanko, PEC and Mr. Terry Milot.* Thank you and best wishes to Mr. Doug Fraser who will not be returning to the Board as a Director-at-large (South).

## Labour Update

**Thank you to all the unionized contractors** who attended the Annual General Meeting. **Mr. Pat Barnes**, who is retiring as Labour Relations Coordinator was acknowledged at the Awards luncheon. We wish Pat all the best and welcome **Mr. Jim Bendfeld** to the position. We would also like to thank **David Lemay; Kevin Pretty and Gary Semple** who are leaving the committee this year and welcome **Pat Barnes, Bruce Hurtubise and Ryan Sinclair.**

ECAA and IBEW have retained the services of a recognized expert in Language skills to do a study and develop a report on the English Language demands of the industrial electrician in Alberta. The study relates to those demands to the Canadian Language Benchmarks and determines the appropriate benchmark for an electrician working on an industrial worksite in Alberta. This study is known as "**Analyzing the Language Demands of Electricians**" and "**Electrician's Photo Reference Guide**". These publications are now available at **no cost to Union Contractors** upon request. Simply contact the ECAA Provincial Office to secure a copy (780.451.2412 or 1.800.252.9375).

## Local Chapter Activity

**Calgary Chapter** - Next meeting **Thursday, September 13th** at the Blackfoot Hotel.

**Central Chapter** - The Central Chapter held a meeting on May 9, 2012, following the code update training at the Blacknight Inn in Red Deer. The meeting was productive with updates on ECAA committee activities and a PEC presentation explaining the process and advantages of obtaining the professional designation by all Master Electricians.

**Edmonton Chapter** - Next meeting **Monday, September 17th** at the Chateau Louis Hotel & Conference Center.

**Lethbridge Chapter** - Chapter members are encouraged to attend a luncheon prior to the Code update seminar on Wednesday, June 6th at the Lethbridge Lodge to meet newly elected Provincial President Kelly Wilde and Provincial Membership Chair Steve Warholik. Also in attendance will be course facilitators John Biollo and Don Letcher. Please contact your Chapter president, Rob Coleman with agenda items.

**Medicine Hat Chapter** - We are saddened that Chapter President Larry Elhart has resigned this position due to ill health. Provincial President Kelly Wilde and representatives from the Board will be in attendance at this meeting on **Thursday, June 7th** to discuss the future of the Chapter and acknowledge Larry for his volunteer time. Contractors in the area are asked to please make every effort to attend this important meeting. As dinner will be served, please RSVP to [bsmith@ecaa.ab.ca](mailto:bsmith@ecaa.ab.ca)

**North East Chapter- WOW! WOW! What an AGM!** The weekend was great, it started with the golf. I had the pleasure of golfing with the new President Kelly Wilde and his wife Marge and my wife Donna. The weather was perfect and the golf course was in excellent shape. The Ranch was a tough place to golf, well it was for me. I'm sure the ladies thought that Kelly and I would never help the team, it only took 5 or 6 holes before Kelly got going. Me, I just sucked. The welcome reception was a lot of fun. Got to see a lot of colleagues that I had not seen since last AGM. Saturday the meetings were very well attended, and lots of input from all. The awards luncheon was nice, lots of past Provincial Presidents on hand. The AGM itself was very well attended and informative. I had the time to talk to some of the past presidents and got some input on what it was like back in the early years. The Gala was a big hit, packed house. Lots of fun and dancing. What can you say Hey Romeo was outstanding again! I think we need to make them members. They had as much fun as we all did! My wife and I really look forward to this event, we get to meet and make new friends, we have made some very special friends that we talk to quite regularly. You really get a sense of pride when people care about this organization! To the members that have never attended an AGM, you have got to try it. You will enjoy the people and all that the AGM has to offer! Oh I guess we did not golf that bad, we came in second. Thanks to all that made this AGM AMAZING!!! That's all for now. Terry Barnett  
North East Chapter President

**To confirm your attendance for any of these upcoming Chapter meetings please contact Brittany Smith ([bsmith@ecaa.ab.ca](mailto:bsmith@ecaa.ab.ca))**

## New Members

Welcome to the ECAA: **Strata Electrical Contracting Inc.** (Edmonton) and **Himac Energy Solutions Inc.** (Fort McMurray).

## Professional Electrical Contractor (PEC) News

**Welcome New PEC:** Daniel Brown (St. Albert)

**UPDATE FROM PEC CHAIR, TOM MORIN:** Celebrations for ECAA's 50th Anniversary AGM at the River Cree in Edmonton were quite a success. The PEC Annual General Meeting was well attended by members with breakfast enjoyed by all. Thank you to those who helped us make quorum. **Mr. Kelly Morris, PEC** provided an update on the status of the Master's Advisory Committee. The different committee chairs each submitted a report on their year's activity. Members stepped forward to allow their names to stand on the different committees. Meetings were held that same day for the Education and Practice Review committees. Some discussion was held on how better to involve retired PEC's and incorporate the wealth of knowledge and experience they possess. The process for reinstatement of delinquent members will be reviewed and procedures implemented by the Registration committee led by **Mr. Darcy Teichroeb, PEC**. The PEC renewal fee will be on the agenda in the coming year for the Provincial Board to access and review, considering the recent activities that have seen changes in our industry affecting us all. **Mr. Mike Fleming, PEC has stepped forward to chair the Education committee** and start to map out the next steps to continuing education for the PEC program. Code upgrade courses are currently being held in all the different locals throughout the province, facilitated by Mr. Don Letcher and Mr. John Biollo, raising awareness of the new 2012 code changes taking place this fall. I would like to thank **Mr. Simon Rinaldi** from Federated Insurance for coming to the AGM and updating us on the

progress towards professional liability insurance for the PEC. *I would also like to thank Jonny Neilsen, Eric Fadden, the respective committee chairs Darcy Teichroeb, Clem Gratton, Norm Kaiser, and Kelly Kegler* for all their time and effort that they devoted to their committees to making this past year a continued success. Thanks again to all PEC members for your support and dedication in making the PEC a reality.

## Volunteers Needed

### Upcoming Career Fairs:

- Alberta Employment and Career Fair (September 28th & 29th, Edmonton)

ECAA is looking for volunteers for this upcoming tradeshow listed above. If you are able to volunteer please contact [bsmith@ecaa.ab.ca](mailto:bsmith@ecaa.ab.ca)

## Continuing Education

**Registrations being accepted for all courses scheduled in 2012 (complete list on ECAA website under PEC section and in Calendar of Events):**

**Basic Electrical Estimating (BEE) - September 7th & 8th (Calgary)** For small contractors who are not ready to make the investment in a computerized estimating system. Designed to teach new contractors the fundamentals of preparing an electrical estimate using the Elemental Format hands-on. The course will address material take-off, pricing of materials, labouring of materials using the NECA Manual of Labour Units, labour costs, special overheads, general overheads and profit/contingencies.

**Safety Principles - September 20th & 21st (Edmonton)** A well developed safety program can reduce costs resulting from injury and property damage, and is the hallmark of a quality electrical contracting firm.. The first day of the course shows you each step to develop and implement an effective safety program for your small to medium sized electrical contracting firm.

The next day is designed to help managers ensure construction supervisors fine-tune their safety skills by:

- clearly understanding what their safety roles and responsibilities are
- presenting and delivering effective training to workers and maintaining high worksite safety standards
- conducting effective site inspections - and developing appropriate recommendations
- investigating - the steps to follow and processes involved

**Business & Public Relations - September 28th & 29th (Calgary)** A series of five modules designed to give you essential and proven management concepts in the areas of managing: Credit & Collections, Business Promotion, Sales Management, Business Management and Human Resource Management. Each module will teach you hands-on management strategies to immediately begin improving the performance and profitability of your electrical contracting business.

**Available through ECAA.**

**ELECTRICAL SAFETY TRAINING SYSTEM (ESTS)** is a computer based, distance delivered program that recognizes Provincial & Federal Occupational Health & Safety Regulations. The program promotes a "Plan, Do, Check, Act" philosophy applying CSA Z462, based on CSA Z1000 Occupational Health & Safety Management System Standard. ***Course is complimentary to all unionized electrical contractors and their employees that have a bargaining relationship with the IBEW Local 424.*** Contact Christine [chryniw@ecaa.ab.ca](mailto:chryniw@ecaa.ab.ca) to sign up.
